VICESBURG TROUBLES. The Radicals are shricking and howl-Vicksburg. But the facts show that the troubles originated simply because the tax-paying people dared to remonstrate and interfere with the lufamous chemes of a lawless band of thieves the opinion of the tax-payers, was members of the Democratic party against nave possessed ourselves of all these ac

The board of supervisors, who are charged by law with the duty of approving and accepting bonds, sustained the public meeting, and the sheriff, letter in to-day's APPEAL, cherushing to comply the public meeting and the sheriff, letter in to-day's APPEAL, cherushing to comply the state of Light Draft Block of Light Brash and Light Brash Block of Light Brash and Light Brast Block of Light Brash and Light Brast Block of Light Brash and Light Brash Block of Light Brash and Light Brast Block of Light Brash and Light Brash Block of L either unable or innwilling to comply likes a generous magnanimity to with these demands, abandoned the office and appealed to the negroes to assist him in its recovery. In addition to crats. This is just, generous and right.

Women are always doing something good. Their influence upon the happiness of mankind cannot be overestimations.

Warrie's Safes. incited the negroes to insurrection. They armed themselves and marched upon the city. Many were killed while marching upon men, women and children, threatening vengeance, and whilst endeavoting to execute their threats. All these troubles were instigated by George E. Harris, the attorney-general, and Governor Ames, who governs from abroad, havelength of the people is effective one of the continue to be potential.

One of the chief reasons for the long lease of power by the Radical party is its little with the second of the country. Such an uprising of the people is effective enough in sweeping away an obnoxious party. But it must be succeeded by thorough organization to make it continue to be potential. One of the chief reasons for the long lease of power by the Radical party is its my district, which was enough to defeat

bood of Pontius Pilate. The enormity of such an outrage cannot be evaded by subterfuge nor justified nor upheld before the popular Judgment by partisan projudices, nor by the colowebs of technical jargon which will be span for that purpose. Fortexarance had ceased to be a virtue. The tax-paying people of a virtue. The tax-paying people of the popular is an end to all disputation about them. We into the tree; 'tis theirs to instill on the tax and different by partisan at last to master it may bearn a salutary lesson. It will not do to have divisions and dissensions in our camp. Whether the propose is their influence upon man's destiny, and wast are their responsibilities. The tax-paying people of a virtue. The tax-paying people of the party should put an end to all disputation about them. We bood of Pontius Pilate. The enormity they are to be murdered by the pluneruelty and outrage, to be used for politi-cal effect. It is no matter to them in party is essential to safety. how many ignorant negroes are led to the slaughter so their own and is a rebuke to the Radical party,

willainy has run an incredible riot, and legislators, governors and judges have outdone all previous conceptions zespecting the potentiality of theft. The people are stripped; their property is so worthless that it will not sell for the faxes; and yet the rapacity of these official brigands is unsated. A crushing food of public debt is heaped upon the State; but the proceeds have been stolen, it is necessary to stretch out the milita-ry arm and send bayonets among them theories perfectly sound, no steps would once more. The facts are patent and inspectionable; and the northern people cannot ponder them too wisely or too they were received with district, arising one of the were received with district, are the were received with district, arising one of the were received with district, arising one of the were received with district and the were received with the were received with district and the were received with the were received with district and the were received with the well. We sympathise with the poor, ignorant, defuded negroes. They have been laught by the carpetbaggers to believe that they were the "wards of the nation," the pets of the administration, and would be protected in every outrage. and would be protected in every outrage might say, as he often did, that he was risk. Give postoffice address in full, inthey might commit.
